VERMILLION COUNTY HEALTH OFFICE

CLINTON, INDIANA 47842

April 18, 1964

Mrs. Scholz:

I recieved your letter this morning thanking us for the certificate. I guess it was the other lady that wrote you that the death records from the funeral home has all the information you were wanting. There are two of us that works in the office. I was the one that made out the death certificate for you. I called the funeral hone but their record isn't as complete as ours is. They suggested that you write the Indiana State Board of Health in Indianapolis you may get the information you are wanting. However they didn't start keeping records until 1907.

I checked some more death records of Amermans and Ammermans. I found one of Raymond Leslie Ammerman, Died November 28, 1919, age 46 yrs. and 3 months, born August 23, 1873. Father-- Peter Ammerman. Mother-- Anna M. Ford. Buried at Bono. I thought this may be some of your relations and will help some.

I found a death record of Rebecca Ammerman. Died Dec. 7, 1918, age 76 yrs. 7 mos. 19 days. Born March 17, 1842. Husband T. F. Ammerman, Mother Rosanna Aye, Father Richard Ford. Buried at Toronto Cemetery.

I found another James Ammerman died Nov. 29, 1888. Age 17 yrs. His father was Theophelus. no mother's name and the place of burial wasn't given. I was wondering if Theophelus couldn't have been shorten to Peter. Does any of this help any.

Yours truly,

J. M. Kercheval M.D.

Mr. Charles R. Ammerman,
772-4 Century Building,
Indianapolis, Ind.

Dear Mr. Ammerman:

Thank you very much for your kind letter with its suggestion that I join you in the tree-climbing pastime. Although I am still lacking, as you observe, in the two years necessary to achieve an age of genealogical intelligence, I have long had a deep interest in the history of the Amerman family.

The genealogy which you record for me is correct in every particular save as it mis-spells the middle names of both my father and grandfather. My father was William Libbey[8], and my grandfather, Benjamin Lander[7]. Although it may be a slip of the typewriter you spell these names "Libby and Leander". Otherwise, your record of my line is quite correct.

The Dutch Testament and Psalms, which you mentioned as belonging to Lena Meis~~s~~ Amerman, interests me greatly. Perhaps an added attraction is the fact that the initials which you mentioned are the same as my own. Should you ever feel inclined to part with so valuable an heir-loom - a supposition which I fear is most unlikely - I hope that you will consider me as a possible successor in ownership. I believe that I am correct in thinking that this same Lena Meis~~s~~ Amerman was the daughter of a German named Meis~~s~~, who at one time owned all, or most of, New Brunswick, New Jersey.

Henry Meis

Unfortunately, I cannot be of any service to you, I am afraid, in establishing your own descent. I have in my possession a copy of the "Amerman narratives" to which you refer; but, as you know, they throw no further light on your problem. I am rather curious however to learn how the extra "m" came into your name. I notice that it is also present in the case of Roxy Victoria Ammerman, from whom you obtained the Testament and Psalms. If you have any theories on the matter I

HONEYMOON? NOT FOR US, HOAGY DECLARES

MR. AND MRS. HOAGLAND CARMICHAEL

By United Press

NEW YORK, March 16.—Hoagland Carmichael, the Indiana University law student who made good as a song writer in Hollywood and New York, and his bride, the comely Ruth Meinardi of Chicago, were honeymooning at home today. They were married here Saturday.

"Honeymoon? What for?" demanded Carmichael. "I've just gotten back from a five-week trip in the Barbadoes and Miss Meinardi—beg pardon, Mrs. Carmichael—only recently returned from four months in Europe. It's a treat to be home again."

"Besides," he added, "we've got to rest up from the wedding reception. You know, we had a lot of Indiana people here—people I used to go to school with, and they sure went to town."

The wedding ceremony was performed at the Fifth Avenue Presbyterian Church by the Rev. Lockhart Ammerman. The bride's father, the late Rev. Garrett Meinardi, was pastor of the same church 15 years ago.

McClelland Barclay, the noted artist and illustrator, gave the bride away. Only close friends and members of the two families were present.

After the ceremony the newlyweds were placed in a hansom cab and driven to the bridegroom's home for the reception.

"We had a little difficulty reaching home because the horse wanted to go uptown and we wanted to go downtown," Carmichael explained today. "When we got there, my mother—her name's Lida—sat down at the piano and played 'Maple Leaf Rag,' which she used to play at dances 30 years ago."

Among the guests at the reception were Conde Nast, publisher; George Gershwin, composer; Julius Glanzer of Carter's Jewelry Shop, and Conrad Thibault, baritone.

The bride, who was a model, attended the Lucy Cobb School at Athens, Ga., and the bridegroom, a native of Bloomington, Ind., is a graduate of Indiana University. His parents now live in Indianapolis.

Carmichael said he was awaiting word from Warner Brothers to go to Hollywood next week.

should be glad to hear them.

Perhaps you do not know that my father, William Libbey Amerman, died in 1927, but his brother, Frederick Herbert, and two sisters, Alice Graham and Louise Douglas, are still living.

With many thanks for your kind interest,

Sincerely yours,

Lockhart Amerman

Obituary

Died--On Monday morning, the 20th instant, Mr. Peter Amerman, aged 77 years.

Mr. Amerman was a good man--amiable in all the relations of life--of sound scriptural knowledge, warm-hearted piety and humble and consistent deportment.

In May, 1785--more than fifty-seven years ago--he, together with fifteen others--two of whom still survive-- was received into the communion of the Collegiate Church, in whose fellowship he lived and died. At different periods he served in the offices of the deaconship and eldership; and his whole influence in the domestic circle and in the church, was uniformly and zealously in favor of the promotion of vital religion. Being advised, on account of the state of his health, to change his occupation, he was in October 1818 chosen Sexton of the Middle Church; and in this station he has been continued from year to year, ever since. The disease which terminated his life was short and violent. On the Wednesday preceding his death he was in his usual health; but the messenger to call him hence, did not find him unprepared, nor did it take him by surprise.

"Be yealso ready; for in such an hour as ye think not, the Son of man cometh."

Dear Mrs. Scholz:

We have delayed answering your letter of 23 February because Mrs. Aikman had a little trouble in finding her records. When she did lay her hands on them, they contained very little in the way of information on Margaret McKnight.

We do belong to the same family. My father, Thomas McKnight Aikman died in 1908. On the last visit my grandmother made to our home, I was old enough to have a quite vivid memory of her, as a very gracious lady. I was better acquainted with uncle Scott than with any of my other uncles. His son Given and I were friends over a number of years. I last saw uncle Scott at Given's apartment in Chicago in 1935. One of my sisters has a copy of uncle Scott's old record but I am quite sure it has nothing on Margaret McKnight. Our own family keeps in touch with each other very well through a round-robin letter that has been in continuous, monthly circulation for over 35 years.

We are old and close friends of the Ames Loomises. Dr. Walter and I joined the faculty together in 1927. I still return to the campus each year for the winter quarter. We can not think of any one who would have information of the Amerman branch of our family beyond that you already have. Anyway, happy hunting, cousin.

Sincerely yours,

John

(2) Albert Amerman, moved to Squam N J thence to Scurland, thence to New York, then again to Scurland, where he died. He was married to (Grietze). He had seven sons Derick, Albert, James, John, Tunis, Paul amd Isaac. I have not the date of his birth or the full name of his wife.

(3) Albert Amerman, born Feb. 9th. 1733., was married to Apollonia De la Montaigne Dec. 9th. 1758. His Children were;

Dear Mrs. Scholz,

I think your query paid off!!! I think that Dr. John Mulvany Aikman is the son of the Rev. Thomas Aikman of Rulo, Nebraska!!! He was the youngst or rather is, of 9 children all the others female. I have heard him talk of Rulo. His father was a Meth. minister and died while John was young. and his mother died while he was in Ecuador perhaps 12 to 15 years ago. I just looked him up in our Men of Science, but his parents were not, listed. My husband was sure that his own parents were but they wern't and I looked in the older one we have and no. My husband has some even older ones in the office and he might bring one home if he thinks of it. We came to Ames in the early summer of 1927 and three months later the Aikmans came and the two men shared the same office for ten years. They had no relatives here, neither did we so all our holidays have been spent together and for twenty years we got together every Sat. night, always pot luck and we are mutually the closest friends of each family. But if you want to get mofe information you write to him yourself. That middle name Mulvaney didn't comefor nothing. He appreciates little notes that I collect about the name but might resent it if I started on his family genealogy. The address again is John M. Aikman, Kirbyville, Mo. We haven't seen them in two years as he is only in Ames for three months of the winter and last year we were in North Carolina and this year he stayed in Mo. He married 1st 1922 Margaret Dafoe, and 2nd 1940 Ella Randle. A son and a dau. both adopted. A professor of Botany at Iowa State University. Two of his were, Clara and Nina and I think one was Loretta.

I think tne name Aikman originates in New Jersey and the state is full of Ammermans. I have heard of John talk of some relative or anyhow someone that was collecting genealogy.

I have had correspondence with a number of people over the years all of us trying to connect with the N. J. Andersons for we know they belong the Dutch Andersons but it is very hard to get birth dates, etc. on emigrants to N. C. and Va. My husband's ended up in southern Ill. I followed then back through two counties in Tenn. , then S. C. and N. C. 1755. So I have collected a lot of Andersons. I can't see anything helpful for you right now but perhaps when you get a little farther on I might. Have you tried getting a record from the church headquarters. I thought they kept records of all their ministers. They are usually easier to trace than others.

Dear Mrs. Scholz,

I note the Aikman name and because one of our closest friends for many years was John Aikman I used to pick up the Aikman records along the way and they are mighty few. He came from Nebraska and has done no genealogy himself but is always interested. I did not keep a copy of the materials I gathered for him but I do know he was in contact with an Aikman historian and can probably give some leads. Dr. John M. Aikman, Kirbyville, Mo. He has now retired.

I do still have one record.
From the DAR reports to congress on the graves of Rev. Soldiers.
Ohio--John Aikman, John 1760 Preble county Harris townsh.
I also found some scattered across Penna. and in the south. Thicker in N. J. where the original emigrant apparently came.

I am interested in your Anderson family, if they connect up with the N. J. families. Theophilus is a common name there. A lot of those Andersons went travelling--to Virginia, Ky. Pa., N. C. and most everyone is having trouble connecting the family in N. J. Each one that we can find may eliminate one of them in N. J. that is help fill the records etc.

Sincerely,

Helen Loomis

Sometimes I work backward. Pa. records are full of N. J.
people etc.

You mention correspondence queries as a last resort. You might be surprised sometimes although the records will have to be rechecked. Genealogy has changed. I wrote to oldtimers in the family at first to get started and just found oodles of material in the library. People nowadays just sit at home and collect records by correspondence and pass them on to the next family. Someday I'd like to write a book about genealogists etc. I was pretty disgusted this week and thought I would never answer another query and your nice letter came along and a couple of others and temporily I have changed my mind. Over the years I have made several friends, really nice friends that way that stay with me and a few others I have met--well.... This last letter was practically illiterate with a lot of sheets with their Temple no. and were not even the family she had queried about. I was My Dean and given love. and now she had her fourth husband and he was the worst of the lot Ha Ha. So really at times it is quite interesting and funny.
Now I shall have make my fingers behave and do some typing for my husband without errors.

Sincerely,

Helen Simms

Hi

Got your note and I'm so slow getting my cards done. Every time I start I get stopped usually by David. I've written a card & rocked Kids a while & written another card & rocked some more & etc until I think I'll never get done. The kids have coughing colds until they are miserable. I had to take them to the Dr last night.

We live north of Clay City about 3/4 of a mile & about 1/4 mile west of Hiway 59. We moved Aug 30, 1962. Verne is farming the home place.

David is into everything, never still a minute. The kids are very excited about Christmas. David is crazy about Santa Clause. He calls him Cause Cause.

He says several words a new one each day almost.

Better give you the information before I forget. Sounds interesting would like to read the family record some time.

My maiden name was Genevieve Akins. Dennis birthdate is August 1, 1959. Dennis was March 17, 1962. My birthdate is December 20, 1931

Hope you all have a nice Christmas. Come as often as you can.

Love
Gwen

Clay City, Ind.

Dear Aunt Mary + Uncle Cox:-

It sure was a pleasant surprise to hear from you. Isn't it a shame we so seldom keep in touch.

Yes, we are still on the farm. Suppose we will always be. We like it and Bob is getting interested. In school he is taking Vo. Ag. and is in the F.F.A. He has his own hogs. This year he did most of our cultivating.

Every body here but Alice seems to be just fine. Alice hasn't been a bit good all summer. She's been in and out of the hospital 4 or 5 times. She has a respiratory ailment. This Sat. she is entering Barnes Hospital. That is in St. Louis. We all hope they can help her, but looks like she may have to change climate.

Yes, I'm happy to supply any information you may need. I ~~think~~ think it is wonderful that you have the ability to do a thing like this.

Vernis mother was born at Riley and you do have her parent's names right.

Gwen's birth place is Clay City in Clay Co. marriage date June 2, 1956, mother's name

Mary Rea and father's name was Hermit Alkire.

John's birthplace was Jackson Twp. in Clay Co. marriage date June 2, 1956 Mother's name Ruth Redenbarger and father's name was Charles Emmert.

I was born in Owen Co. in Ind. married April 29, 1950. My mother's name Gladys Edna Crist and my father's name is James Miller.

A few weeks ago one of Jan's teachers asked the class if any of them knew what a family tree was. Most of them knew very little, so Jan took ours to school. Her teacher said this was very good and very well drawn up.

Must get this in the mail and get to work. I want to clean blinds to-day. Let us hear from you again.

All our love

Irene

Dear Mrs. Scholz,

In reply to your letter in regards to my sister Helen. Yes, she was the widow of Earl. She remarried about five years after Earls death (heartattack) Mr. Klee died a year after they were married.

I tried to find Eleanor by putting Earls death notice in the Indianapolis papers. Never heard a word from her. I believe Eleanor & Earl had a misunderstanding and never kept in touch. I have relatives in Indianapolis but I don't remember Eleanors last name.

Helen died of a stroke and her daughter Mary died

six days after his death. So we had double heartache in Nov. 73.

The grand child mention in Earls death notice was Marys by a previous marriage and the ex-husband took the child. I do not know all the details.

I lived with sis & Earl for part of a school year because I wanted to go to Valley High school. This was in the 11th grade. I also went to California with them and came back a couple of months later. I loved them both dearly. I didn't know Earls dad but I knew his mother, Effie.

I will look through all my pictures and if I find ones of Earl, I'll send them to you.

Good luck on your family tree.

Where does your sister live in Terre Haute?

I wish Earl had knew of you & your sisters whereabouts. Family is very important.

I hope this information help some.

Sincerely
Margie Knapp

Helen is the widow of Earl Amerman, my cousin, son of Addie Amerman, brother of Sherman. M.S.

Dear Mary.

Sorry, I've been so long writing you

Thanks so much for sending me the chart.

Sure, I want it. No danger of me giving it away. I may not know as much about it as I'd like. Ruth (my brother Dan's wife) and I studied it one night together & found it very interesting. I know it's been a lot of ~~work~~ and you've done a marvelous job.

A new addition has come into the Leon Smith (Virginia Amerman) family. Boy, Gary Allen, born Jan 31, 68. in case you want it.

I'm nursing a sore throat tonight. Hope it doesn't turn into a cold for I've escaped it so far this year. Love,

Sorry to hear about Alice. But glad she seemed to be doing O. K.

Going to be cold again to-night February has been cold all month. Seems like winter has been a long time.

When spring comes though so much work envolved.

Again, I want to thank you Mary. Nice of you to send it to me.

Sincerely,
Edna Shew

Dear Mary,

So sorry, I've been this long while answering your letter. I'm always so busy, but no more so than any one else. So no use making excuses.

I was awhile getting the material and did finally get to library. But the only thing there was. —

Jacob Amerman (Farmer) Clinton Twp. Born in Ind. 1831. Settled in Vermillion County 1848. United Brethren

Peter Amerman (Farmer) St Bernice Born in Vermillion County 1844. (Rep)

My brothers names are James, Paul, Herschel + David. Don't know who Cyril, Ellis + Alton are. Never heard of them before.

Never knew my grandparents on Amerman side. I must have been quiet small for I don't recall my parents ever, ever, talking about them

2) The great grandparents are completely out.

Here are the dates in my own immediate family.

Hope this will be of some help as I can't provide you with more.

Suppose you were notified of the reunion at Spangler school or were you too young to be in on that?

Plan to go if I don't have work that day

(over)

just be my luck to have to work that day.

The day you stopped in (of all days) I would have to look like a hobo. Don't look that way all the time. I do most all my work and in every thing so I do get in some awful garbs a lot of the time.

Summer has finally reached us. July temperatures here in midd[le] May. Weather man a bit of storm[y] in and around & then cooler Temp[s]

Again, I'm sorry, you've had to wait so long. Please forgive.

Sincerely,

Dear Mary—,

always glad hearing from you.

Sorry Sadie is sick. I saw John in L.D.A. grocery one day. He looked so pitiful and seemed so sad tears came in his eyes. He said, wouldn't be so bad if he was younger and could work. He said it was prelty lonesome and you know it would be. Too bad old couples can't be taken together at the same times.

They tell me Brownie is in a bad way too with his mind.

Well, Mary I don't see my folks very often.

Had David + Ruth here about middle of last month for dinner one day.

Go up to Paul's about every

two weeks. Of course he's no better and never will be. He says he's getting worse all the time. He and Dorothy are both nervous Wrecks.

The rest are O.K as far as I know. No new additions. Guess the pill is working. Ha.

No I'm not at Hospital now but work part time nursing all summer. in a home.

Marie is still in Kentucky her oldest granddaughter got married in Nov. 17 years old. His name is Jerry Perkins I believe. so that would be an addition.

So Alice is living in Florida now. I know what it is with all this yard work. So much for me too.

Well, Best wishes for every thing.

Dear Mary:-

I wanted you to know I ran across some information on Richard Amerman & family. His death announcement from a newspaper is in an old bible of my grandmothers. it dates back to the 1800's. My sister had it. Im trying to get the big family bible back. I loaned it to my sister in K.C.K. I can find more in it, Im sure. When I can get the time Ill type up these things and send them to you. I find I was wrong on some things, I told you Richard Amerman was one of 14 Children and he had 14 children. I told you 16. and Sarah Amerman, Nale had 7 children. I thought it was

6. But some of these I never saw. So its hard to remember.

We bought us a new house. Sept. 29th we moved. Its been a lot of work. We looked for a place until we were worn out. Then packing, moving + Unpacking. Now we are decorating. We hope to be done by Christmas. Then I'll have more time. But now its something else.

Have you had any more luck getting information?

I want to Wish you + Yours a Very Merry Christmas.

March 14-68

Dear Mary:-

I recdived your letter of March the 4th.

I see by your letter, that you didn't have my new address.

We bought a new home, - Sept. 30th.

We have been terribly busy, as we did our own decorating, So as to get into our house quicker.

The decorating is done, but we still have the yard to landscape, when the ground thaws out enough.

Let me know if you want these charts back; you sent me. OK?

I'm sending you all the information I found in an old Bible my Sister gave

me, that belonged to my Grandmother, Hannah Ellen - Boren. Its dated - Nov. 1867.

Im still trying to get the Big family Bible from K.C. My sister Sylva, says she, will bring it to me. But I don't know when they will be up here. So this is the best I, can do, for now.

Im almost sure that there was nothing about Peter and Margaret in the Bible. But Ill sure let you know, when I get a chance to find out.

My Aunt, Bertha Cave, always kept track of the Amerman's. so I imagine she had the information written in a Bible or Book - and Virginia must have kept it when Bertha died.

Virginia was interested in the family, so my sister

tells me.

Ask Virginia if she knows where George Amerman, Jr. or his sister lives.

They were born + raised in Springfield Mo., but they are grown and married now. I don't know where they are.

George Jr. might know about his grandfather + Gr. Grandfather

I imagine George + his Wife are both dead as George would be in his 90's. I believe he would be 96.

Sarah Jane Amerman's husband - Daniel Clark Nale. - is a decendent of Daniel Boone. It was his gt. gr. Granfather. I believe.

We went to see Daniel Boone's grave last Summer. He is burried in Frankfort Cemetery. He was taken there and reentered with his Wife

Rebecca in 1845 at Frankfort Ky.

I have been gathering some information on the Boren family also. I wrote my Cousin but they sent a little & said they would see what else they can find.

Where can you buy these family tree, forms, to fill out? Please let me know. I would like to keep track of the information, so my Children will know, If they want to some day.

I've got some information on the Crispins also.

Well, My daughter is typing the information for me as I write.

Hope it helps in a small way at least.

Oh Yes! I found a paper clipping of the death announcement of Richard Amerman. I'm sending.

you. I thought you would like to have it. So I am having it typed for you.

Well I must close and get busy. I have to have my dinner ready on time tonight.

Please write when you can. I enjoy hearing from you.

Sincerely yours.

Dear Mary:-

Your letter of Feb. 25th was forwarded to me,- and I received it this morning. I was surprised but happy to hear from you.

Yes, I, am a decendent of the Amerman's.

I think they are all dead unless Uncle George Amerman of Springfield, Mo., is still living. If so he would be about 95.

George has a son, George Jr. He may live in Springfield Mo. He also has a daughter, but I don't remember her name. but June should know them.

Jones, Mother Bertha, always kept track of the Amermans and Yales. Since she passed away, I haven't any idea who could tell us about them.

But Ill try and get some information - and if I do Ill send-

it to you.

Dear Mary:

I want to thank you, for sending me those charts. It must have taken a lot of your time to draw those up for me.

I am truly sorry I didn't get around to writting to thank you sooner.

I have had company. My son & his wife and children were here from Alabama. We were expecting the others but they had things come up that prevented them coming now. Maybe this fall.

We have been having

funny weather. First its unusually hot, then it gets to cool. It sure has caused my back to bother me.

It looks like I'll have to make a trip to Kans. befor I get that bible. But when I do I'll sure send you the information. Mean time write to me when you have the time. and Thanks, for the information you sent me.

Dear Mrs. Mary Scholz,

It saddens me to tell you that your letter arrived about twelve years too late. I am Mrs. Cave's daughter. When I maried I just moved to the next farm so that is why the mailman knew where to leave the letter you wrote.

It is something to know that a person's ancestors date so far back but I am afraid that I do not know much about them. The names that you mentioned, all sound famalier so I know you are right.

Mother had two girls. My sister lives in Kansas. She has one son. I have three children. The oldest boy is 19. He is a sophomore at Springfield (Southwest State College).

1-28-65

We live 10 mi. south of Springfield. The middle one is a boy. He graduates from high school this year. The youngest is a 11 yr. old girl. My mother never lived to see her. My children don't know what grandparents are, as all of their grandparents died while the boys were very small.

It seemed strange to see a post card written in my mother's handwriting.

I met mother's brother for the first time when she passed away. He must have passed away because he doesn't send his annual Xmas card. He was 80 at that time.

Was delighted to receive a letter from you, if you care to write again, I will try to be prompt about answering.

Sincerely yours,
Mrs. L. W. Vaughan

Dear Mary,

Will answer your letter tonight. Judy is making me sit with her while she is feeling a little bit ill (cold). She has read your letters and enjoys them.

I will find out more information but it may take a little time.

There is a vague memory in my mind that I had a grandmother that didn't like her name. She used the name Anna for Hannah or maybe it was Hannah for Anna. But I will try to find out.

The list of names you sent sound like my uncles and aunts. My mother lived with her grandparents when she was little. Dr. George is the one who died here. I remember he would tell stories about the weather in Illinois. His two girls wouldn't know anything about his side of the family. Dr. Richard lived at Nevada, Mo. His only son was killed in a hunting accident. Anna was George's sister. I can remember them talking about her. My mother's mother married the hired man of the family, that must have been grandfather Wade.

Can you tell by my writing that I graduated from a Business College? Never could write good but just out of practice. Accounting was what I was interested in. Have worked at office work and bookkeeping for about 2 or 3 years. Its difficult to work with children but I loved working with business records. Worked 1 yr. in factory before they put me in office. Thought I would make more money in factory but found out they couldn't cut my wages if I went into the office. Its hard on eyes and nerves.

Someday in the Spring I think I will get my oldest son to take me to Nevada, Mo

(over)

when Dr. Richard had a hospital. I heard they have a room in his memory in the new hospital. It is 2 or 3 hrs. drive. I like to drive but feel safer with Larry along. We drove to the Tops of Pike's Peak, Colo. last summer. Do you drive?

It's snowing here. Judy didn't have school 2 days last week because of snow.

I will try to hunt up some more information but it may take longer than last time. If you think of anything else you would like answered just write. If you have any trouble reading this, I could type it but typed letters always seemed so impersonal to me. Will close for now.

Sincerely yours,
June Vaughan

According to my sister, my mother and one aunt are the only ones that weren't born in Ind. & Ill. Maybe I should tell you that I had a great uncle who lived here in Springfield. His name was George Ammerman. He was a dentist until he got too old to practice. Took up drinking, lost everything and his family would not recognize him. He had 1 boy & 2 girls. The boy is dead, but the 2 girls are living. They let their husbands think that their father was dead, which he is now. They didn't care to have any of their fathers relation around as they tried to keep all this a secret. They had a hard life when they were little but have succeeded in marrying well. So I just wish them luck and stayed away from them.

Hope this information isn't too vague for you. If there is anything that I can help you further, just let me know. I am doing this in memory of my mother, who was very interested in the family tree. This is more letters that I have written in several years.

Feb. 23, 1965

Dear Mrs. Scholz,

It seems like my sister found the form you sent. I recopied it and am sending it on.

Would like to hear once again from you. Does it make sense? Are we from the same Amermann family?

If there are any questions, I will try to answer them.

Sincerely yours,
June Vaughan

Feb. 27, 1965

Dear Mrs. Scholz,

Am sending what little information that I have. Sent the form to my sister but her little boy must have destroyed it so will try to make up one of my own. Other facts I will just write in a paragraph.

I suppose you must be a distant cousin of mine. I still don't know anything about you. My husband is a carpenter and farmer. We are just average people according to the standards around here. Both of our boys work for their father. The oldest boy is paying his way through college by working for his father. The youngest boy is not interested in college now but will probably continue to work for his father until he finds something he likes better. Our farm is about 92 A. Just thought I would add these notes so you could know us a little better.

Will close for now. Hope you can understand the information on the form.

(Look on back)

Sincerely yours,
June Vaughan

According to my sister the story goes; Amermans are Norwegian born in Prussia (Highlands of Germany) + the first Amerman in New Amersdam was Dietrich + he married Margaret McKnight right off the boat. Our ancestor was a Captain in Merchant Marine. They came over on their own ships with 5 brothers.

Dear Mrs. Scholz.

Time has flew by, intended to write sooner but 3 children keep me busy. Since I wrote you last, it seems like a lot has happened. Jerry, my youngest boy, graduated from high school and is now working in St. Louis as a machinist for McDonnell Aircraft. Larry, the oldest is in his 3rd year at SMS. He was promoted to 1st Lt. in ROTC. Larry has to go to summer camp. So that leaves us with just the girl. She is in the Band and the Rainbows.

It has been very little information that I have been able to find. I was wrong about Dr. Richard in Nevada, Mo. That was I.W. The records are kept by Mrs. Jr. Crispin, whose only address is Sangamon Ave. in Chicago.

My sister wrote some notes

that I will send you as it would be hard for me to straighten them out.

As you can tell from my information that I know very little about my family. Have kept your letters and if you care to write anymore, I will always be glad to hear from you.

Sincerely yours,
June Vaughan

Dear Mrs. Scholz,

Received your letter. Sent the form to my sister to fill out. She can remember dates. Her hobby is collecting people's birthdays. It may take a little while but I will send it to you as soon as I hear from her.

I was born in Florida, my sister was born in Kentucky. We just happened to stop here! Mother's brother that was at her funeral lived in Chula Vista Calif. He was a retired chemist. A wonderful person.

Mother had a uncle who was a doctor in Nevada, Mo. A girl I went to school with 20 yrs. ago told me he and his son were dead. But they have a room in the hospital named in his honor. I am sure his name was Richard. It was the General Hospital, not the State Mental Hospital there.

Will mail the other information later.

Sincerely yours,

June Vaughan

Utah State Genealogical Facilities Invite Visitors

If your summer vacation plans include Northern Utah, may we invite you to visit us here at Everton Publishers, 526 North Main, Logan, Utah. We would be pleased to discuss THE GENEALOGICAL HELPER and our neophyte quarterly, THE DANISH GENEALOGICAL HELPER. After a tour through our plant, which we are presently enlarging, a gift packet will be presented to all genealogists who visit us.

Two of the very best genealogical libraries are located in Northern Utah and would welcome a visit from interested family tree climbers. The services they offer are free-of-charge.

The Cache Genealogical Library, 90 North First East, Logan, Utah is an excellent genealogical facility. It is open from 11 a.m. each day, except Sundays, and closes at 9 p.m. on weekdays and at 5 p.m. on Saturday. A competent staff is there to help with the materials that are available: specialized help in American, English, Swiss, German and Scottish research; vital records; genealogical books that have been reviewed in the "Helper"; a great number of family histories; supplies; and fourteen microfilm readers with a complete register of all the microfilms available from Salt Lake City. A small fee is charged if the microfilm needed is not there and has to be rented for two weeks from the Salt Lake Library.

The Genealogical Society Library, 107 South Main, Salt Lake City, Utah is the most complete genealogical library in the world. Many well-trained personnel are available to serve genealogists in any way that help is needed. One complete floor is covered with microfilm readers and millions of feet of microfilmed records, from all over the world, is immediately available. A unique feature of the Genealogical Society Library is their "Spotlight" research series. A country or locality is chosen and the regular staff is supplemented with thoroughly trained volunteers to assist in specialized research classes about this area. During the summer the following research classes will be held on these dates: June 10-15 - "Spotlight on New England States"; July 15-20 - "Spotlight on Midwest and West"; and August 12-24 - "Spotlight on Great Britain."

A GRAMMAR OF ENGLISH HERALDRY by Sir W. H. St John Hope, Revised by Anthony R. Wagner. Cloth, hardback binding, indexed, illustrated, 99 pages, $2.75. Available from The Everton Publishers, Inc., P. O. Box 368, Logan, Utah 84321.

This little volume, first published in 1913, was revised by the Richmond Herald, Anthony R. Wagner, and reissued in a new format.

Sir W. H. St John Hope's work was so sound that little revision was necessary, and its reissue is a testimony to its quality as an introduction to a subject others had made obscure.

It begins with the definition and origin of heraldry; then explains the terms and devices - the grammar of heraldry - and shows how individuals and families marshalled and differenced their arms. There are two chapters on lozenges, roundels and banners of arms, and crests, badges, punning arms and supporters. A chronological account of the growth and decay of heraldry in England, follows. In a concluding chapter the whole question of nomenclature is treated with shrewd good sense.

Dear Mrs. Schrthz:

The NSDAR Headquarters has given me your being a member of DAR through your ancestor Derick Ammerman b 1759 d 1826.

A Tom Ammerman in California is trying to connect Derick Ammerman to Philip Ammerman who is my ancestor. Also, a Betty Ammerman of Springfield feels strongly that this Philip was a descendant of your Derick.

Philip Ammerman fought in the war of 1812 (Kentucky) was given a piece of land in (or purchased congress land) Preble Co. Ohio in 1815 but died before he was able to move there. His son Wm. purchased this land and patent was given in father Philip's name in 1819. Along with Wm. son John, Samuel, and David went to Preble... along with daughter Jane. Young David did not stay, he returned to Ky. before 1850.

Philip lived in Washington Co. Maryland in 1790. He may have lived in Pa. or Va. during the Revolutionary War. He married Frances in New Jersey.

I have circled my direct line.

Any information you can give me will be appreciated. I am not only interested in going back further than Philip but am interested in becoming a member of DAR and so far have not found a member of the family who served in the Rev. war.

Dear Mrs. Scholz

Finally have gotten around to answering your letter.

I don't know to much about my relation. I was born and raise in Cynthiana, Ky. There is a large number of Ammermans around Cynthiana. I remember my father talking of three brothers, who came from Germany, whose name was Ammerman. They were among the first settlers. My father's name was James D. Ammerman, he had two brothers whose names were Henry and Luther. My grandfather's name was Amos Ammerman. I had a cousin who was a minister and traveled a lot. Whenever he found the name

Ammerman he would trace it back until he found relation.

There is a Russell Ammerman who lives in Dayton, who came from Ind. His address is: 2233 Mayfair
Dayton Ohio.

I am going to give your letter to my sister, who lives in Cynthiana There is a book on the early settlers there.

Sincerely yours,
Russell Ammerman.

June 23, 1966

My dear Mrs. Schaly;

Yesterday Grace Ammerman brought me a letter you had written her brother Russell. I suppose you have long since given up. My maternal grandmother was Sarah Ammerman, and a first cousin of her father, who was Luther D. At one time there were many Ammermans in Harrison + Harrison County, but there are not quite so many now.

We are descendants of Philip Ammerman + wife Frances Hibbler - who came to Kentucky with their family to Bourbon County Ky. and settled on Main Ridge. Philip is listed in the 1790 Census in Washington County Maryland. I do not know where he was born, probably in Penn. or New Jersey. Philip + family came to Ky. some time after 1790 & he died in Bourbon Co. (Paris County seat) in 1818.

I suppose the ancestor to whom you refer was Derck Janse Ammerman. I have some information on him, but lack the link that would connect him to Philip's although there is no doubt he is the Ancestor of all the Ammermans in America.

Val. 20 #3 P. 49. Genealogical magazine New Jersey
Derck Janse Amerman (Amerman) born about 1614 — in Holland died about Jan. 1723 or 24 at Flatlands, Kings Co. N.Y. in 1665-70 to Aeltje Pauluse Van Der Beeck, dau. of Pauluse and Mary (Badie) Vander Beeck. He came to America about 1650 (as in a list of those swearing allegiance to the British Crown in 1678). Thus he came when a child, but nothing has been found to indicate in whose family he traveled, and no trace of his origin. He lived at Flatlands and was a member of the Dutch

Reformed Church Serving as a Deacon in 1682 and Elder in 1703.. I have more about him but you probably have it too. I would be so glad if Philip would fit into your chart. Because you might even be a descendant of Philip. You only mentioned your father, grandfather and great grandfather Philip and Frances had ten children. They have descendants in Ohio and Indiana Wm. Russell Ammerman went from Cynthiana (Harrison Co.) when a young man to Ohio. I do not remember him, altho I know his sisters Grace and Elizabeth well.

I am sending you a copy of the children of Philip Ammerman and our line, along with the little information I have. I will be so glad to have the chart if am interested. I will be so pleased to hear from you.

Sincerely,

(miss) Mary E. VanMeter

Dear Mrs. Schaly,

Thanks for your letter, and my apologies for being so long in replying. I would indeed appreciate any help you can lend us tracing Philip's ancestry. Several years ago (about 20) I had some correspondence with a Walter Lee Greenslit of Lincoln Nebraska. His mother was Eva Lutzenman, a Pennsylvania branch. He had quite a lot of information on the Lutzenmans, but could trace Philip Lutz back to Derek, although he was positive he was a descendant. I realize now that I didn't let him know how little I knew about Philips descendants, and am sure he could have given me the information. Mr. Greenslit gave me the first information of Derek. I had a cousin W. J. McMurtry whose mother was Eva Lutzenman, stepdaughter of Philip. He had discovered Derek, but like many, body else the link from Philip back is missing. Miss Lutzenman told me that his grandfather (my great) Cornelius A. told him the Lutzenmans were Holland Dutch, however there can be no doubt that Philips wife was German. In a letter to my cousin Miss Lutzenman Uncle Philip A. states that his grandfather Philip came from Maryland. He also said he knew nothing of three brothers. I read in the D A R Magazine that the story of three brothers coming to America was a favorite one, and in rare instances true. The woman in Missouri who wrote you might be a descendant of Philip. one of his sons is supposed to have gone to Missouri, I don't know which one. Maybe the tale of the boat originated from Derek's ferry.

I notice your fathers name was Wm. Sherman & he was born in 1864. My fathers brother was William

Sherman, born Dec. 1864. That was about the time General Sherman made his famous march to the sea. The VanDeren used good Republicans.

There are several histories where you can get information, which isn't always true. There is a Collins History, also a Kerr and Perrins. They are hard to come across as they have been out of print for years. I have an account in one of these histories which did say the Rummans came from Germany that's what Russell A. probably had in mind. I read in a 1950 issue of DCR mag. an article concerning Simon, Zachariah, and William Hibbler, who as early as 1760 lived in Germantown Valley N.J. There is such tie up between Hibbler + Philip Rummans family. I have a copy of a Will of William Hibbler who lived in Bourbon County, Ky. (Paris, its about 15 miles from here) in 1800. He mentions nine children in his will, two of which were Jane Rummans + Elizabeth Rummans. I feel very strongly that Philip + James Hibbler Rummans came from New Jersey, but in those days they got around! Bourbon Co. Will book P. 114 Inventory of personal est of Philip Rummans merchant 1818. Sale bill mentions Jane Rummans Joseph A., Isaac, William, Samuel + John

Will book M.P 529 Personal est of Daniel Hibbler Oct 19, 1827 mentions Albert Rummans among other Rummans + Hibblers. Who was this Albert, a grandson of Philip's or could he have been your ancestor?

I will go to the library here to see what I can find. If I run across any Mc Knight info will send it along.

Sincerely,

Harry VanDeren

Dear Mrs. Scholz,

I received your lineage from the D.A.R. following my request, as a prospective member of the Childs Taylor Chapter located in Geauga County, Ohio.

After a great deal of interesting research, I have arrived at a standstill with Phillip Amerman, born about 1750-1760 in New York. He married Frances Hibler of Sussex County, New Jersey in 1777. Their first son, John was born in 1778, and this family went on to Berks County in Penn., then to Washington County, Maryland, on to Bourbon County, Kentucky by 1800,

We just returned from Cane Ridge, Kentucky where we hoped to find a record of Phillip that would give his parent's names. In Parid, the county courthouse of Bourbon, I did find the inventory of his goods following his death January 21, 1818. Nothing more, however, and there are several descendants of this line who, likewise, can find nothing more of this Phillip.

I can't understand why I can't locate this gentleman in the early church records and am still trying.

Phillip Ammerman and Frances Hibler had the following children: John b. 1778, Polly Ann b. 1782, Isaac b. 1784, William b. 1786, Jane b. 1788, Joseph b. 1790, Daniel b. 1792, Samuel b. 1795, Mary b. 1797, James b. 1799, and David b. 1801.

Phillip's first son, John died in Eaton Ohio, Preble County. John married Rachael _____ and had the following known children: Nancy (Williams), Mary (Snodgrass), Wealthy (Frame), Zeteriah or Viteria (Frame), Eliza Jane (Woodard), Phillip, John Jr., Greenberry.

John Jr. married Malchariot West; they had ~~two~~ ~~three~~ two children who lived: David, Francis. Malchariot died as a result of the malaria epidemic in 1849. A one year old child of theirs died this same year.

John and Malchariot's firstborn, David (b. 1842) is my gr. grandfather. David m. Margaret E. Miltenberger, also of Eaton, Ohio, and they had three children. My grandfather Frank, or Francis, was born 12-18-1871. Another son George died as a result of a farm accident in 1884. A sister, Anna M. was born around 1831.

Frank, son of David married Mary Ellen, or Ella, Swain of Eaton, Ohio. They had two sons: my father Ralph, born June 14, 1892 and Earl Swain .

Ralph Laten Ammerman, my father m. Helen Bluhm of Cleveland, Ohio and their three children were Viola, myself Ruth Louise (Jones) and Marjorie H.

I'm sure that you know what a job this ancestor-hunting is, also how very interesting and demanding it is; one just can't forget the missing link! It would be wonderful if you could see anything in this line that sounds familiar. Do you have the brothers and sisters of Derick? This might be a possibility. I'm beginning to wonder if Phillip changed his first name in New Jersey!

Any help would be most appreciated.

Dear Mrs. Scholz:

I have your letter of March 8 asking our office to give you information on your great grandfather, The Rev. Peter Amerman. I have checked our records for 1873 through 1877, and find no mention of his name or of his death in 1875.

I believe this might be because he was a minister in another branch of the Presbyterian Church denomination. As you might know, there were several Presbyterian denominations that have gradually merged through the years. We only have records for the Presbyterian Church, U.S.A. Your great grandfather could have been a minister of the Presbyterian Church in North America, or of the Reformed Church.

If you will write to Mr. William B. Miller, Manager,

Dear Sir:

I am seeking information on my great grandfather Rev. Peter Amerman, a Presbyterian minister.

He was born Dec. 14, 1786 in Newburgh, New York, married in Daviess County, Indiana Feb. 10, 1824, moved to Vermillion County, Indiana in 1845, where he built the first Church in that County. He died there April 22, 1875.

This is according to my record of him. I'm not sure of its accuracy. Is it possible that you have an account of him in your files, which would show the name of his wife and children, or other information regarding his whereabouts prior to the time of his marriage in 1824?

If so, will you please tell me how I may obtain a copy. Stamped addressed envelope enclosed. Thank you very much.

Dear Mrs. Scholz:

You will recall writing the Department of History requesting information concerning your great grandfather, the Rev. Peter Amerman.

We have checked through available sources in the library of the Society and regret that we are unable to find any information pertinent to your research. Mr. Amerman is not listed in the official Index of Presbyterian Ministers, which contains page notations to all Presbyterian ministers active in the Church between 1706-1881. If we are able to locate material on his life at a later date, we will be sure and get in touch with you accordingly.

Dear Mary-

Received your letter yesterday and I feel like a nut for not letting you know that I did receive the Ancestarial Chart. I am very happy to have it. Thanks a lot.

These Spring and Summer months do draw our attention elsewhere. We got moved in November, worked so hard to get in here before it got to bad, we did make it but it almost made me sick - I lost 14 lbs in the deal. So we coasted along this winter with out taking on any extras but now its a different story again.

We have a big lawn, or will have when we get it done but we have been taking down fences, mowing weeds & pasture, hauling away junk, dirt fuel & piles where we had burned some old buildings that we had tore down.

I have a garden to, that to work in every few days. I love to work and I keep very busy but when it piles up on me I like it less. ha.

My husband took 2 wks. of his Vacation so we could get the seeds in - We have 28½ acres here. 22 acres tillable and he had it all worked down ready to plant the next day. It rained and has been to wet ever since but we are getting a lot of other things done. He went to Terre Haute the other day and bought

a riding lawn mower, said it was for me. But he didn't miss it for either.
Mary you asked if I could read the Chart without instructions. yes I can. and it fascinating
my Zip Code Number is (47842)
Mary I have called and asked every one I could think of about Grandma (Lucy Vanostrum) and no one seemed to know. but this morning I called George Calvin Amerman at Dana & he said as far as he knew he wasn't any relation to my Dad but his Dads name was Samuel Rosengrant or Rosegrant Amerman. He told me that there family had a family Reunion every year east of Westport guess thats South of Greensburg. They have it in a Church. They have a family tree said they had it back from the first Amerman that came to America Guess that is the one thing they are really interested in. He said when they received there card for the Reunion he would let me know when it was and if I could go he knew I could get a lot of information He said if they didn't have the information I wanted they would look it up for me. He also gave me an address of a John Amerman Vantz Road. Cincinatti Ohio, said

he thought that was the right address but in case my letter came back he would get it again. Maybe were on the start of something big. ha If I find out when the Reunion is I'll let you know. He says there so glad to meet new people all the time. Said they had there lunch at noon, had speakers + etc.

Mary if you want to write this John Amerman at Cincinatti, Ohio maybe it would be better than me writing him because you know what information you want and I'm just a beginner. I can still get you a little more information on some of these questions and I'll try to get it done before long.

I'll see if I can find out anything on Margarette Amerman also.

It started out to be a very gloomy morning but it looks like the sun might shine for a change. Sure hope so.

Guess I had better close and get busy. Let me know if this John Amerman was able to help you.

Sincerely - Dorothy Beard

P.S. Mary. George Amerman from Alma called me back and said they had found the right address of John W. Ammerman

Dear Mary-

I can't tell you how happy I was to hear from you. I have always remembered Mary Emerman, from my childhood and have often wondered what had happened to you.

Probably wouldn't know you if I'd meet you on the street but have always remembered that there was such a person.

We have built a new home on 163 West of Clinton. We moved in last November. We had lived in St. Bernice for about 35 years, but we really like it out here in the country. We are only about 5 minutes from Clinton, 12 minutes from Terre Haute.

This has been a gloomy wet day, has rained most of the day.

Mary I have answered most of your questions but there's a few

that I couldn't find out. Most all of the older ones are gone and I didn't know where to go for the information.

I think you have done a Wonderful job on making out the family tree. Honestly I wouldn't know where to start. I can see how one would be fascinated by it. Some time Mary if you have the time I would love to know who the first American was that came to America and his occupation and how in the world you went about finding that information Ha.

Guess everyone has a hobby of some kind Mine has been collecting antique dishes. I have a little collection. I have bought a lot of things but when I moved over here I sold around $200 worth of things that I didn't care to mess

about and am collecting more. It gets in your blood too. I like the Carnival Glass, pressed & Cut glass and antique tooth pick holders.

Do you care for things like that?

So far I hav'nt found out who Mary Mc. Knights parents were but I'll keep trying.

When I see Uncle Owen I'll see if he knows where & when Uncle Otto Miller was borned and send you the information. I hope I have been of some help to you.

Its almost my bed time so I'll close and get this in the mail tomarrow.

Love -

Dorothy

Dear Mrs. Scholz:

Have only recently come across a neighbor's copy of the "Genealogical Helper" for Dec. 1965, and noted your query at that time contained the names of some of the Amerman family who married some members of the Ford family. Am wondering if you have any information on parents of Augustus Ford who was b. 1783 and was one of first settlers in Vermillion Co., Ind. in 1818, (1816) His father was John Ford who was b. in Virginia of English descent, and was a Rev. War soldier. Augustus would have been the grandfather of the Wm. Ford, Rebecca Ford & Anne Ford whom you mentioned. He was also my great, great, grandfather through his son, John. I need proof of Augustus parentage and father's war record.

Very truly yours,

Mrs. Ralph Milligan, R.R.2, Box 217, Rosedale, Ind. 47874

By the way - Wm. Rebecca & Jane Ford were children of Richard Ford and grandchildren of Augustus. Richard was a brother of my great grandfather John, who married the Jane Skidmore. Richard married Rosanna Clifton

March 10, 1969

Dear Mrs. Scholz;

Thank you for your letter and all the information. I had been thinking of writing to Washington so do thank you much for the identification sheet. The only trouble is I have such a little information about the John Ford I wish to know about. I know his name and that he was b. in Virginia and had this son, Augustus. I don't think John ever made it to Indiana for Augustus came with his wife's family and the Skidmore family. My dad collected all this information for years so that has helped me a lot. Of course, when it comes to proving everything you know, thats something else. I, too, was born and reared nw of Clinton so I know all the places you mentioned. My parents, grandparents and assorted relatives are buried at Sugar Grove. And some of the earlier Fords & Helts are buried at Helts Prairie. We lived about 3 mi east of St. Bernice-Jonestown until after I married. A neighbor friend has been helping me some and we go to libraries together while she's searching for another line for herself. We have found some good material at the library in Rockville, and the Emmaline Fairbanks Library

in Terre Haute has a whole room of Genealogical reference books. They have folders containing issues of the Illiana Genealogical quarterly. I had overlooked the item you sent about John Ford and Jane Skidmore marriage licence - that was one thing I had missing so I was really glad you mentioned that. The library at Terre Haute also has a copying machine so I can easily get a copy of the publication page.

Now I hope this may help you - or perhaps you already know this and it really isn't much, but the next day after I wrote to you before, I visited the library at Rockville and while looking over the Vermillion Co. census returns of 1850 I ran across this so copied it down -

Census for Helt Township, Vermillion County, Indiana the 8th day of Nov. 1850 - (J. B. Hedges was the Census taker)

March 31, 1969

Dear Mary -

Sorry to be so late with my sincere thanks for the additional information which you sent about the Fords. Most of my information comes from data which my father collected during his lifetime. However, he had not pursued the descendants of Richard Ford that far. Richard was a brother of John Ford who was my great grandfather. I guess I had never mentioned my connection to the Fords. My father was Birt Ford - his father was Albert Ford - his father was John Ford and his father was Augustus Ford (one of the first settlers in Helt Twsp. Vermillion Co.) and his father was also a John Ford, and he's the one I don't have much information about, except that he was b. in Va. My mother was Phoeba Miller, daughter of Sylvester and Sarah Ellen Harris Miller. My parents and grandparents all lived in Center neighborhood, a rural neighborhood east of St. Bernice & Jonestown. I went to High School in St. Bernice.

Could your father have been the Sherman Amerman who used to live in a brick house on N. 9th St. (on Fairview) in Clinton? I think probably my parents ~~did~~ knew him, for I sort of remember being told that was who lived in this brick house which I thought was so pretty.

Also I know some of the Farringtons whom you mentioned. I see Elizabeth Igler occasionally. Also her sister Mildred who is married to a Glenn Williams and lives just west of Rosedale. Also used to know Ward Farrington, Jr.'s family. A son of Ward's, ~~Earl~~ Vernon, and his wife are quite good friends of my sister and her husband. I don't recall some of the younger ones in this family

Int Ward, F., Jr. had Forrest, Louise (who died as a young wife) & Vernon and that's the ones I knew better as they were about my age.

Guess I forgot to mention one reason I'm so late with my reply - My sister had serious surgery 2 wk. ago today and is still in the hospital. I try to go see her as much as I can. She is slowly improving but will be there the rest of this week, anyhow, I imagine. I think she's coming to stay with us when she is able to leave the hospital, until she's able to be at home.

Then too I had made preparations to be a co-hostess at a club meeting last week. Then the husband of one of our members died suddenly and Club was postponed until this week, so now I have to get in gear again this week, so I think I'd better bring this to a close and get busy.

I hope I can go back to the library in Terre Haute soon as I think some of the information you sent may fit in, so I want to re-check.

And thanks again to you.

Sincerely,
Edna Milligan

I have had a time since I sent you the last letter. I hadn't had much sleep for years because of the change. Nerves went all to peices. The Dr. had me on tranquilizers and I didn't know I was taking them. He told Glenn I was over tranquilize and he hadn't started cutting them down soon enough. I guess I was a person that couldn't take the stuff. I wouldn't have had I known what I was taking. My eyes went bad I was collapsing a lot got some bad falls. Put Uncle Shell in the hospital and collapsed there at the hospital. The next day they put me in Union Hospital and I had to take five shock treatments. EXPLANATION OF ORDER FOR PHOTOCOPIES

Please use the other side of this form to order photocopies of records relating to a person who served in the United States or Confederate Armed Forces. We can furnish photocopies relating to the following subjects:

a. United States (not State) pensions claimed on the basis of service before World War I;

b. United States (not State) bounty lands claimed on the basis of service before 1856;

c. United States military service performed after 1774 and more than 75 years ago and Confederate military service. (NOTE - We do not have information relating to military service rendered before the Revolutionary War.)

Send us the completed form with one dollar. If you send more than one form at one time, your remittance should be for as many dollars as you send forms. Each order will be handled separately; so you may not receive all your photocopies at the same time. Be sure to enter your name and address on each form.

If we find a pension or bounty-land warrant application file which we believe relates to the person in whom you are interested, we will send photocopies of the documents we think most likely to be of interest to you. If no pension or bounty-land warrant application file is found, we will furnish copies of the military service record if one is available. If we do not find a file that appears to pertain to the person in whom you are interested, we will refund your money.

The military service records rarely contain family information. Furthermore, the record of a man's military service in any one organization is wholly separate from the record of his service in any other organization. We are ordinarily unable to establish the identity or nonidentity of men of the same name who served in different organizations. If you know that a man served in more than one organization and you desire copies of his military service record, a separate form and one dollar fee should be submitted for the service record in each organization.

Additional copies of this form will be sent to you on request.

Please send me additional copies of this form.

EXPLANATION FOR RETURN OF ORDER

1. We are returning your order because:

a. ☐ You did not provide enough identifying information to make a search.

b. ☐ You did not give us the name of the State from which the soldier served and, as there is no consolidated index to the compiled military service records of Union soldiers, we are unable to make an effective search without this information.

c. ☐ We have found no pension file for a veteran of the name you gave.

CHARLES R. AMMERMAN

April 13, 1964.

Mrs. Conrad Scholy,
35280 Donnelly Ave.,
Garden City, Mich - 48135

Dear Mrs Scholy -

I am mailing you to-day under separate cover, a print of the Chart which you requested.

I am wondering where you saw a copy of this Chart. It is the first Chart I prepared sometime in the 1920's. I am also wondering where you obtained my Dartmouth address. I moved from there to Flora City, Florida in 1958 and back to the above address in March 1963, after the death of my Wife in January of that year.

On March 12th of this year, I married Florence Perkins of Indianapolis, Ind, where I formerly resided, and we have been on a "Caribbean Cruise" which accounts for my delay in answering your request. We are now preparing to go to Indianapolis, Ind., where my Wife has a home at 4507 Carrollton Ave., at which address you will be able to reach

me after May 1st. Florence is an old friend whom I have known for fifty years. I was associated with her former husband in business for forty years and she was my Secretary for eight years in the 20's, and her husband and my wife passed away within 24 hours of each other. on Jan. 2nd and Jan 3rd. of 1963.

I am not quite sure of the location of Garden City, Mich., and will be glad if you will advise me.

I have quite a bit of information regarding the Ammans of western Indiana, received from Minnie Amman Eaton of Dana, Ind., in 1936. Have not heard from her in years, and she may have passed away long ago.

Hoping that I may hear from you further,

I am,

Sincerely,

C. R. Amman

Mrs. Conrad Scholz.
35280 Donnelley Ave..
Garden City, Mich - 48135
Dear Mrs. Scholz -

I must apologize for not having answered your letter before. We have been quite busy getting our home ready to sell, preparatory to returning to Florida this coming Fall.

Inasmuch as it had been our plan to return to St. Petersburg, I didn't bring any of my Genealogical material with us.

From the information furnished by you, I am quite sure you are descended from Peter Amerman of Vermillion Co., Ind. The information furnished me by Minnie Amerman Caton mentioned Sherman as a son of James and a grandson of Peter (As I remember it)

Peter had a brother James Amerman who settled in Bloomington, Ind., where his granddaughter Rocky Victoria Amerman was born. They later removed to Fairmount, Nebraska. I corresponded with Roxy Victoria Amerman, who was a Daughter of the American Revolution, for quite some time.

Peter and James were sons of Dirk Auerman, as you know, of Newburg, N.Y. I found one record which called him "Assistant Clothier General" of the American Army. Dirk of Newburg was son of Albert who baked for the American Army and grandson of Dirk and Tena (Meik) Auerman. Dirk, who married Tena, was son of Albert of New Jersey and grandson of Capt. Dirck Janson Auerman of Flatlands who came to New Amsterdam in 1650.

When I return to St. Petersburg, I will send you some of the papers ~~in connection~~ with your line for your examination and return to me.

I have made other charts, and prepared several manuscripts, but they refer more particularly to my own direct lines.

I have established to my own satisfaction, at least, that I am a descendant of Cornelius thru one son Daniel, who lived in Fishkill, Dutchess Co., N.Y. Cornelius died during the Revolution in which he served.

Sincerely, C. R. Auermuller

The attached data was furnished by Roxy Victoria Ammerman, a Granddaughter of John Mason & Ammerman, a Brother of your Gr. Grandfather, Peter & Ammerman.

You will note that Roxy was born in Bloomington, Ind. and removed with her parents to Fairmont, Nebraska.

It was through Roxy Victoria Ammerman that I came into possession of certain "Keepsakes" of your branch of the family, as follows—

Silhouette of Birch & Ammerman, of Newburg, N.Y.
Psalm and Hymn Book with Deeds & Signatures.
An original certified copy of his Grandfather's Will,
A 1637 Dutch Testament with Initials "L.A" on silver clasp for Lena Ammerman, Dutch Grandmother.

The Dutch Testament I gave to Rev Lockhart Ammerman, a Presby. Minister, a correspondent now living in Sewickley, Pa. His initials are also L.A

Inasmuch as Birch Ammerman of Newburg, is not in my direct line of descent, and he is in your's, I might possibly be induced to part with the three other "Keepsakes" to one in his direct line of descent, and the only one in that line that I know, who seems to be interested— C.R. Ammerman

Blank Forms sent to Roxy Victoria Ammerman and filled out principally by her in ink. CRA ✓

Dear Ted:

I have just finished copying all the descendants that I have on my records, of Dirck & Mary Beltrap Ammerman. I've had to do it a little at a time so you are going to be a bit confused perhaps but I've tried to guide you with notes which I added after checking it over.

I hope this is what you ask for, but you said that I had stated in one of my letters that I had recorded 187 descendants of Dirck & Mary. I think you will find that I wrote you that I have 189 ancestors on my chart, all but 17 being of my father, the 17 being of course my mother.

I'm so glad you are still interested and digging. I'm also still interested but I've let down considerably on any digging. So many things have crowded in and I just surmise that I've slowed down somewhat too.

You mentioned getting your book together on the Ammerman's last year. Have you had it published and is it available in libraries? Sounds interesting.

I'm ashamed of how haphazard the data I'm sending you is but I couldn't possibly redo it. Hope you can make it out and if you have questions, just ask. I made a carbon

-on.

copy, so with your question(s) refers to the numbers of the page and it will be more simple.

Good luck to you, it was time consuming but rewarding to be able to help you, if I have.

Sincerely

Mary Seboly.

Mr. C. Theodore Ammerman,

La Puente, Calif. 91744.

Dear Mr. Ammerman:

Congratulations, and welcome to the Amerman searching!

I am a direct descendant of Derck Jansen. I was very fortunate to obtain very much of my data from an old gentleman by the name of Chas. Ammerman, who had spent about 60 years searching ancestors. His name was originally spelled with one m but he explained that so many of his correspondents used 2 m's that he thought it was easier to change his name's spelling than to have to correct them.

I have no information on the parentage of your ancestor Philip nor his brothers, but I have had correspondence with a lady who is a descendant of this same Philip. I will send you her name

and address. Perhaps you'd like to write her.

Miss Harry E. Van Meter
219 North Walnut St.,
Cynthiana, Ky.

She wrote to me last in June of '66.

My present concern is of learning the parentage of Margaret McKnight b. Sept 14 1803 who married Peter Bowerman. - They were my gt. grandparents. - I was told that she was born in Washington Co, Ky, but I have been unable to find any records of her there. If you happen to have any record of her, I most certainly would appreciate your help.

Look on other side for my address.

Good luck in your searching.

Sincerely
Mary Scholz

P.S. - If you should have occasion to write to me again, please include a brief chart of your descent from Philip

Dear Sir:

It was fine to get your letter with a picture of your line of ancestory, so well presented. I keep all of my incoming letters in binders for future reference. As well as carbon copies of my out going letters in other binders.

I have a great amount of data on the early Ammons and on a seperate sheet I will give you a brief outline of some of it.

I spent all of last evening looking again for your ancestor Philip with no success. In hoping that by now you have heard from Miss Harry Van Meter, she can be of some help to you. (She was named after her father)

You wrote that Philip was supposed to have served in the Rev. war. Have you written to the National Archives in Wash. D.C. for his war record?

The Peter Ammerman b. Aug. 21, 1765, was a brother of my gt. gt grandfather Dirk Peter was first married to Salome Coffin in 1792. She died Sept. 27, 1811. On June 25, 1812 he married Charlotte Peck Knapp (according to my records)

Now please heed my advice, and forget about the spelling of the names. I have all kinds of records of these people and the names sometimes look as tho they are some-one else. Such as Amberman, Bredman, Amerman, Ammerman. Keep in mind that before social security the spelling of a name wasn't so important, besides in early times many of the people didn't even know how to write & spell their own name. So when they told someone their name (for example when they had their children baptized) if the one recording it spelled it to best it sounded to him, that had to do.

There is another idea and I don't want to throw you off the track but it might be good to try. Perhaps and only perhaps that Philip was originally named something else. This came to me last night when I was searching for families of children born from 1750-60. The children of

Dirck and Helena (Meis) Ammerman were

~~Albert + Applonia (de la Montange) Ammerman~~

MY ANCESTOR.

1. Albert b. Dec. 9, 1733 m. Applonia de la Montange
2. Geertje bpt. ~~Sept~~ 11, 1742 N.Y.
3. Geertje bpt. Sept 17, 1745 N.Y.
4. Heiltuck bpt. Jan. 13. 1748 N.Y.
5. Jannetje bpt. Oct. 29, 1749 m. Conrad Hans.
6. Geertje bpt. Mar. 11-1752. N.Y.
7. Dirck bpt. Sept. 9, 1753.
8. Samuel bpt. Sept. 4, 1754 N.Y.
9. Adrianus bpt. Oct. 27, 1756 N.Y.
10. Adrianus bpt. May 22, 1759. N.Y.

These names (except for #1 Albert + #7 Dirk) were taken from the book "Collections of the N.Y. Genealogical + Biographical Society", under Baptisms of Dutch Church in New York. The whole list of names were sent to me by Mrs. Chas. Ammerman several years ago.

My point is I have no further information on (#7) Dirck. If he did not die in infancy like many of the others he might have decided to change his name, if for no other reason, maybe because his father's name was also Dirck. However this is only a bright heart, and might be very difficult to prove.

I have 187 names on my ancestral chart, all direct ancestors. All but 17 of them are of my fathers, the 17 are of my mother.

Lines of the lines go back 18 + 19 generations. Includes Dutch, French, German, English, Scotch, Irish and maybe others.

Le de la Montagne + de Forest are the ones often mentioned in history. Other names are Restieaux, du Faucet, Belknap, Stearns, Merriam, Lothrop, Stone, Richardson, Cheney, Sawyer, Whitemore, Carter, Parkhurst, Prescott, Porter, Potter, Chapman, Wellman, Andersons, Andrews, Coe, Springer, Burgess, Cole, Abbott, Humphreys, Prathers, Lewis, Darnell, Mulligan and so on + on.

I never miss a chance to gather more American info. - Oh yes I meant to mention that according to record Derek Jansen a German came to America as a boy but nothing has been found to indicate, with whom he came, family he traveled. The story of 4 brothers coming to America I have never seen printed and books or anywhere. I had written a woman in Ms. a few years

ago, asking if she had any line on Margaret McKnight. This woman was a gt. granddaug. of Margaret Mc like myself but I had never met her. Her reply to me was that many years ago 4 AMERMAN brothers came to America + one of them married Margaret right off the boat. Ha. So I don't believe that story until someone can come up with one better than that. Margaret McKnight was born in 1803 and I have proof of her marriage to Peter in Daviess Co., Ind. in 1824. (That's hardly right off the boat)

Good luck in your searching and I'll do my best to keep an eye on your ancestor, Philip. No telling how or where more info could turn up about him.

Sincerely Mary Scholz

Dear Ted,

I received your letter yesterday, & it was as if E.S.P. had been working, for just that day, I was looking over some of my correspondence that I keep on file, & I was wondering if you had completed & published your book.

I am so glad to know that you have. And I'll be so happy to have a copy. It's very generous of you and I certainly do appreciate it.

I'm very aware of the work, time & expense you put into this. I feel guilty of perhaps not helping you as much as I could have.

I'm anxious to see your book. I'm anxious too to see if you've connected your gt. gt. gt. grandfather Philip, onto Ulrick James A. He has been a question to so many and I truly hope you have solved the mystery.

Thanks so very much for remembering me. I'll be forever grateful

Sincerely, Mary Schoby.

Dear Cousin:

Just a few lines before mail time.
I'm ashamed to write this letter to you for I'm sure you will think I'm over-anxious. I probably am but I thought maybe it would be a good idea to check to see if you have sent me the book.

I called the P.O. Friday to see if it was laying on their shelves "neglected". It wasn't there.

If you have sent it you no doubt wonder why I haven't acknowledged receiving it.

I hope you understand that I'm not trying to pressure you into "hurrying up" to send the book. That I am only wanting you to know I haven't received it, in case you have already sent it.

Does this make sense to you? It confuses me. Ha.

Dear Mrs. ~~Scholz~~,

Thank you for your letter just received. It was indeed kind of you to offer me the material on the Ammeman line. Will very much appreciate your sending it to me. Feel quite certain she was of my family but of course have no proof. Am enclosing cheque but if ~~you~~ ~~find~~ you find any other data on the Ammeman family I would be pleased to have it. Hope you have had better luck with your Ammeman family than I have.

Dear Mrs. Scholz :

I have just received the new Genealogical Helper Annual and noted your advertisement.

In my Ammerman notes I have a record of Peter ^{6} Amerman b. 1786 d. 1872 m. Margaret Mc Knight.He was son of Derrick ^{5} and Mary Belknap. He was b.1759 and d. 1826 m. 1782. Derrick served as Assisstant Clothier General during the Revolution at Newburg,N.Y.

At present I am searching for the parentage of a Margaret Ammerman (1787-1853) who lived at Haverstraw N.Y. and m. Matthias Corwin according to Corwin Genealogy (Edward T. Corwin) . Possibly she was the dau. of Derrick ^{5} and Margaret (Ranous) Ammerman. If you have any data on this Margaret Ammerman I would greatly appreciate having the information.

Sincerely yours,

Kenneth L. Pemberton

Dear Mrs. Scholz,

Thank you for your nice letter and additional information on Ammerman family. I am sorry that the only notation I have about Margaret Mc Knight is that she was the wife of Peter[6] Amerman. However, am enclosing a lineage of this branch of the family and hope it has some data that you do not already have. These few notes that I have was evidently gathered in preparation of a family history. I have looked in all libraries but it is not listed so wonder if it was ever published.

Derck[5] lived in Newburgh,N.Y. m. in 1782 Mary Belknap. I also have quite a number of ancestors who lived in Newburgh including the Corwins. A Gilbert Corwin (father of Matthias) was said to have married a Amy Knapp.As there were several marriages between the Corwin and Belknap families I wonder if her name was not Belknap instead of Knapp.Have not been able to find any information about Amy Knapp anywhere.

My connection with the Ammerman family is thru Matthias Corwin (my paternal gt. gt. grandfather) who married Margaret Ammerman of Haverstraw,N.Y. He was presumably the daughter of Derick and Margaret (Ranous) Ammerman of Sucess, N.Y. Have advertised and written numerous letters but so far have no proof of her parentage. She only is mentioned in Corwin genealogy. If you should at any time be able to supply any data I would be most grateful.

Sincerely yours,

Kenneth L Pemberton.

Dear Mrs. Scholz,

Thank you very much for your recent letter with the suggestion that I write to Mr. Charles R. Ammerman to ask for help in locating my Margaret A. I think he is the man drom whom I got the photostat chart of the Ammerman chart. It was many years ago after I had seen one in the Genealogical Society in San Francisco. Am writing to him today.

I have searched thru all references in Knapp Genealogy which I have and do not find a Charlotte or Rebecca Knapp who married an Ammerman. There are several listed but no data concerning them.

It sounds very likely that the Derrick[5] (1759-1813) could be the lineage for which I am searching. Also, as Mr. Charles Pearsall Schouten of this branch of the family helped Mr. Chas.R. Ammerman in gathering the family data there might be a more complete record of the family. Have often thought I would like to find time to type up the chart and index but probably will never get to it. Wondered if a family genealogy had been published but if it had been done am sure you would know about it.

Did I make a lineage chart for you tracing your line back to Derck Jansen Ammerman ? I probably didn't as you did not mention it in your letter. You too, might have a copy of the same chart that I have so would give no additional data.

Will let you know what I hear from Mr. Ammerman. I am writing to him today.

I greatly appreciate your interest and help in my search for Margaret A.

Sincerely yours,

Kenneth Pemberton.

Mr. Chas R. Amerman
Dear Sir:

I have written all I can find on the enclosed papers.

Of Peter Amerman you have no mention of his 1st wife Salome Coffin, + I am not sure that I have the 16 children rightly divided. The first 3 or 4 I am sure were of the 1st wife, but how many of the unnamed were hers I do not know. The 3 Peters are accounted for by the early deaths of 1st & 2d. the name being passed on to the next boy. This makes the 3 of this name + boy the first pub. of course the last was of Helena Ford.

Thanks for the paper you sent for my information I am not sure of you desire it returned + so to be on safe side I return it.

I have scant time for such investigations, but
wish you all success in your laudable work

Yours faithfully

Dear Mr Ammerman

I have just been loaned a copy of the Chart of the Amerman Family which you have compiled and am overwhelmed with the work which it represents. I enclose a check for $3.00 and would very much appreciate a copy if any are available. Am enclosing $3 instead of $2 as undoubtedly costs of reproduction have gone up since you set the price and if you figure there as sixty cent dollars I would still owe you money.

As for certain items, I find slight errors which you will wish to correct in your history -

1. I am credited with being in the Engr Corp- World war. Am sorry I was not in the service at all - My only claim to notoriety for what it is worth is that I helped on a surveying corps in building the railroad across the Florida Keys to Key West and then have been connected with the Atlantic Mutual Insurance Co for over 43 years.

2. He was Eliza Lansing (7) and not Frances Amelia (7) who married Van Nostrand.

If you wish I will dig out the dates of their deaths and of my father - James Lansing (7). He was a missionary in Japan

from 1871 Ithink till 1892. Dutch Reformed church - do you care about any such information. He is the one whose copy of the narrative you received from W L A of West End ave city.

Frederick Herbert (4) is dead but his son Wilfred (9) lives at 119 - 17th Ave Paterson N J and I am sure will be glad to furnish you information about his father and his own children - He can get you information about his uncle William (8), wife and son.

I have had several inquiries which possibly your record will shed some light on.

Peter's (5) second wife was Charlotte Beck Knapp. aside from mention of her in the family narrative we have found nothing by which to trace her parents - I see on the chart that Peter's brother Isaac (5) married a Rebecca T Knapp and I wondered if you can tell whether they were related and how.

What are the prospects for publishing of the History.

Awaiting your reply with much interest

I am

Very cordially

Dear Mr Emerman

Thank you so much for the chart. The greater part of it is legible and I am very glad to have it. If you do find the other negative I would be glad to get the clearer print.

I can readily understand how you have lost some of your interest in developing the family history with the stone wall you have run up against in tracing your own line and I wish I could supply the missing links but am very sorry not to be able to do so now.

My father, James L. I had traced his line years ago and altho his papers were turned over to me I never ~~thought~~ much about family history (I had my line, what more was there to look up) until last summer or fall. At that time some lady from ~~Nebraska~~ North Dakota wrote relatives of mine asking certain information and the letter was forwarded to me for reply. Within the space of not over three months four people had noticed my daughter's name listed in the Chicago ~~telephone~~ book and had looked her up and she referred them to me for information. In trying to find the answers I got interested but haven't had the opportunity to do much research work as I still have to observe office hours and it takes time to accomplish anything at the NY Public Library. I retire Nov 1/52 and am expecting to try my luck along this line after that date.

The lady from North Dakota wrote me that according to DAR Lineage Book Vol 18 page 266 Albert Emerman 1733-1818 - ~~4th~~ on my line was a private in Capt Jacob Ten Eyck's Co of Troops-

This rather conflicts with the family narrative that he was a baker

unless detailed to the commissary -

I have wondered whether you ran accross any Amerman whose ancestry doubt seem to tie in in any way with ours -

- Among my fathers papers (he died in 1928) a memorandum from a Gl Amerman stating

"James Amerman and wife came from Holland in 1740-1750 to visit Amerman relatives in America, was shipwrecked and remained in America. Born about 1720. Father of 6 children 3 of whom came into Newyork State. Paul J. Isaac and Peter."

B 1760- D 1806 to My 1796 to My.
D to My 1812

Son Albert went to Penna but no information about son James or Anna was given.

My father went to Japan about 1871 as a missionary for the Dutch Reformed church and was pastor of a church in Tokyo and taught in a Boys school - Understand he made a name for himself translating books into Japanese - Returned to My 1892 and was connected with the Board of Foreign Missions till he retired in 1913, I think, and then took charge of a couple of small country churches in upstate Newyork until a year or so before his death.

I was born in Tokyo, coming to the US in 1891 - attended the Moody school at Mt Hermon, Mass for a year before entering Sheffield Scientific School, Yale - After a year at Yale, in order to find whether I liked the engineering life I went to KeyWest and was on the surveying corps in charge of filling in a couple of square miles of harbor to make a terminal for Flagler's railroad from Miami to Key West. The 1907 panic was brewing and worked on half of that extension was stopped - By then I had decided that civil engineering was not what I wanted for a life work and in November 1907 I joined the Atlantic Mutual Insurance Co which

at that time dealt only in Marine Insurance. They had no telephones, no women and all letters were written in longhand. This November I complete my 44th year with them and next year retire - Came up thro the loss or claim branch of the business and for the last 16-20 years have specialized in claims on Hulls.

About 1937 we adopted an orphan boy about nine years old and he was wrapped up in music from the first - He eventually majored in music in one of the State Teachers Colleges and after three years in the service mostly as Chaplain's assistant, he completed his course and has been very successful as a teacher - Now has charge of music in the Classical High School Springfield Mass - Is to get his Masters at Columbia in about three weeks.

Our daughter got her BS at Michigan State, her Masters at Leland Stanford and hopes to finish all her work except her thesis for her Ph D at Chicago U this next month - Taught in one of the Japanese Relocation Colonies all thro the war and has been working in Race Relations ever since.

Thanking you again for the chart and hoping that sometime I may develop some information about your ancestors

I am

Most cordially

Mr. Arthur S. Wardwell,
1725 Dorchester Road,
Brooklyn, New York.

Dear Mr. Wardwell:-

I visited the Public Library at Jamaica on Saturday last, and while there inspected some of the Manuscript Records compiled by Mr. William A. Eardeley. I noticed in some of these records reference to an Amberman Genealogical Manuscript.

The lady in charge of that section of the Library informed me that they had purchased the Eardeley Manuscripts from you, and I thought that possibly you might be able to tell me something of the Amberman Manuscript.

I have made a considerable research of the Amerman, Ammerman, Amberman Family in New York and New Jersey, and am very much interested.

I am a great grandson of Richard Amerman (also called Derrick). I believe he was named Derrick, as he enlisted from Fishkill, Dutchess Co. under the name Derrick, and his pension papers were signed Derrick. In his later years in Amboy Illinois, he signed his name Richard.

I have as yet been unable to definitely establish his parentage, but believe he was the grandson of Cornelius[4] (Derrick[3], Jan Derckse[2], Derck Jansen[1] Amerman), and the son of either Derrick, John or Daniel, sons of Cornelius[4].

The Pension record of My great Grandfather Derrick indicates that his father was a weaver. The will of one John Amberman of Jamaica, according to Eardeley, states that he (John) was a weaver, but he seems to have had no son Derick, but he might have been John, son of Cornelius, in the paragraph above, and a brother of Daniel, who according to the Census of 1900 had a male child under the age of 10. My great grand father was born March 21st, 1796.

If you can, will you please tell me what the Eardeley Amberman Manuscript consists of, if a copy can be obtained, and the cost of same?

Very truly yours,

Charles Richard Ammerman.

Feby. 22nd., 1936.

Mr. Arthur S. Wardwell,
1725 Dorchester Road,
Brooklyn, N. Y.

Dear Mr. Wardwell:

In reply to yours of January 31st., would saynthat I have fairly complete records of the Amermans, Ambermans, etc., of Long Island, including Abstracts of Wills, baptismal records of the various Churches, etc., and consequently do not feel that I can afford to pay the amount quoted for your records, when possibly mine may be as complete as yours.

However, I would like to examine your records, and if you would care to send them to me by registered mail, I will be glad to pay you $5.00 for the privilege, and will return them to you in good order.

If your records are not typewritten, I will also be glad to have them typed, and will return a typewritten copy to you with the original record.

Sincerely,

C. Ammerman

Dear Mr Ammerman,

Received the Eardeley records OK and am glad that you were able to get something out of them. Mr Eardeley had no personal interest in the family and collected these records just as he did many many others, in his work as a professional genealogist. When he was not employed by a client, which was very often in the many years he spent on the work, he spent his time collecting records of families which he hoped some day would be of use to him.

Yours sincerely
Arthur S. Wardwell.

Mr Charles R. Ammerman,

Dear Sir,

I am accepting your proposition of $5. plus a typewritten copy of the Eardeley records of the Ammerman-Amberman family for privelege of examining the records.

I am enclosing them herewith in just the way in which I found them. You may find it best to rearrange the order of the early generations, followed by the unconnected lines alphabetically.

Yours sincerely
Arthur S. Wardwell
